

GIFT LIST 2024

MACS is a charity that works alongside people in Malawi by responding to a wide range of requests for support from some of the poorest rural communities. Through supporting education, improved healthcare and support for communities we aim to help people change their lives.

Please support our work by buying alternative presents for Christmas, birthdays and anniversaries. Each gift can be purchased for a donation of £10, £20 or £30.

Your gift WILL make a difference.

HOW TO GIVE A GIFT

Buy gifts quickly and easily through our online gift list at www.malawimacs.org or send the completed order form and cheque to the Treasurer. Send one of the attached slips to your recipient.

Should any particular item become unavailable or oversubscribed, MACS reserves the right to divert funds to alternative items.

School Fees Donation, MACS bursaries enable students from impoverished families to attend secondary school. School staff committees choose the beneficiaries and progress is monitored termly. A gift of £10 will keep a student at a Community Day Secondary School for a term or contribute towards boarding school fees.

Mattresses for hospitals and Health Centres

Your gift will help hospitals and clinics to replace worn out mattresses and bedding and make their stay more comfortable for patients.

Books for Chilema Ecumenical Training Centre

Books are desperately needed for the library, now housed in a small classroom recently converted by MACS. Some of the students who will benefit from this are the women who MACS supports each year to take a six month course learning new skills to improve living standards in families and their community.

Contribute towards an Africycle bike for a new ordinand

Bicycles enable clergy to get around their large parishes of scattered villages. Africycles refurbishes robust quality mountain bikes and provides a repair kit and maintenance training for around £100
